

# Kaito, A.s.a. To Accuracy

Had a new experience  
Said no to pretence  
A.S.A.to accuracy  
Choice words of correction

Makes no sense to me  
No don&#039;t lecture me

Said no to romance  
Uni choice of obstruction  
Keeping track so race against me  
Stand dull-submission

Makes no sense to me  
No don&#039;t lecture me

Had a main opinion  
Shaking up with defence  
Move away from territory  
Aerial view of convention

Makes no sense to me  
No don&#039;t lecture to me

Now and then you say no no  
Now and then you say no no  
Now then - you say!

Makes no sense to me  
No don&#039;t lecture me  
Makes no sense to me  
No don&#039;t lecture me

And ya say who knows who knows-nu nu nu no  
And ya say who knows who knows-nu nu nu no  
And ya say who knows who knows-nu nu nu no  
And ya say who knows who knows-nu nu nu no
