

Kaize Adams, Shoulda Left Me

Verse 1

You loved me in despite
Despite of all my wrong
And now its just too much
To much for me to hide
The feeligs that I have
For the joy of my heart
A second chance you gave
To me a brand new start

Chorus

Shoulda left me
Long time ago
You didn't, restartin'
My life
It's over now
I'm ready to move on

Verse 2

The changes
I've been through
Been through it all
With you
Caught up in the mess
Of this cruel old world
I believed and stayed
Steadfast

And you wiped the tears
Away
You took me by the hand
Showed me the master plan

Vamp

Turned around
You still were there
Took me out of much despair
You kept me, forgave me
Ready to move on

The solid rock
On which I stand
Gave strength
To the innerman
You kept me, forgave me
Ready to move on

La, la, la
la, la, la, la ,la
La, la, la
la, la, la, la, la, la

Shoulda left me
Long time ago
