

# Kalan Porter, Hurray

I mastered a disguise that I take with me  
I smile and nod and pretend  
I know how to dress, cut my hair  
I know how to act like I don't care  
You won't believe that I've recovered quite so quickly  
Telling you it's almost true  
Someone else would almost do  
Someone that is almost you  
Hurray, I say hurray  
I'm not afraid to say the things that I am thinking  
Cause I'm not dreaming of you  
I know what it takes to walk that walk  
Set my heartbeat to the clock  
It's 4am and I haven't started sleeping  
Telling you it's almost true  
Someone else would almost do  
Someone that is almost you  
Hurray, I say hurray  
Same, I will find her  
Someone just the same  
I will find her  
Just the same but worse in every way  
Telling you it's almost true  
Someone else would almost do  
Someone that is almost you  
Hurray, I say hurray
