

Kalan Porter, Single

I'm the hit
I'm the hook
That you're looking for

If you're looking for
A single one
You can feel
What I got
You can bet
I'm everything you need
You need
You need
You might not see it now
But one day you're gonna come around

I'm the hit
I'm the hook
That you're looking for
I'm the one
I'm the love
That you can't ignore
I'm the single one
I'm the single one

If you're getting tired
Of the same old line
So am I (So am I)
We try so hard
But they're all the same
The same
The same
You might not see it
But now you're gonna come around

I'm the hit
I'm the hook
That you're looking for
I'm the one
I'm the love
That you can't ignore
I'm the single one
I'm the single one

Your gonna come around

I'm the hit
I'm the hook
That you're looking for
I'm the one
I'm the love
That you can't ignore
I'm the single one
I'm the single one

I'm the hit
I'm the hook
That you're looking for
I'm the one
I'm the love
That you can't ignore
I'm the single one
I'm the single one
