

# Kaledon, In The Eyes Of The Queen

You know Daaniel,  
Elisabeth is not only a name  
she was a spirit free  
she faced the obscurity  
and she raised her energy

You know Daaniel,  
A woman in bride with her destiny  
she has lighted the flame  
and the stars of your heart  
by the love inside

Nobody as her  
knew to sink in the hell  
Nobody as her  
knew to circle in paradise

Chorus:

In the Eyes of the Queen  
flash the eyes of the dragon  
In the Eyes of the Queen  
There were the eyes of the dragon  
Oh I have seen, I have seen

You know Daaniel,  
The Queen was the only the only fair name  
She was the queen of herself  
She was the Queen of her King  
Great silence inside

There was no vanity,  
there was no arrogance in her glance  
for this she was beloved  
for what flash in her eyes  
for the fire inside

and the fine one  
was the respect for the life  
and the fine one  
was to look with the loving eyes

Chorus:

In the Eyes of the Queen  
flash the eyes of the dragon  
In the Eyes of the Queen  
There were the eyes of the dragon  
Oh I have seen, I have seen it

You know Daaniel,  
she has died  
whispering my name  
and going to the wonder  
all the words cannot explain  
only the heart can feel the wonder

Chorus:

...she had the eyes of the dragon...  
...she had the eyes of the dragon...  
...she had the eyes of the dragon...  
...she had the eyes of the dragon...  
Oh I have seen, I have seen
