Kaledon, Mighty Son Of The Great Lord

My queen is dead I have no child And I am scared For my kingdom come

When I will die Who'll keep my chair? I am very sad For this misfortune

Ch.:

You will be my son and you will keep my chair Daeniel, Mighty son of the great lord This is my decision for the future of kaledon Daeniel, oh Daeniel

Thank you my lord I am uptight I have no words For this great news

Today my work Is to serve my great lord Tomorrow I will be His mighty heir

Ch.:

You will be my son and you will keep my chair Daeniel, Mighty son of the great lord This is my decision for the future of kaledon Daeniel, oh Daeniel
