

# Kaleo, Lonely Cowboy

Say I can use a better friend  
Than the one I've got, my shadow  
Even when the sun goes down  
He will leave me by myself

And in the morning, he returns  
But he doesn't ever say much  
Say I don't wanna ride alone  
Down this dark and lonesome road

See even cowboys can get lonely from time to time  
See even cowboys do get lonesome sometimes  
Yes, but I, I know one thing, I've come much too far  
Yeah, to let you go now, please, don't let me go  
Love, don't let me go

Share the silence with the fire  
Roll the rest of my tobacco  
Telling stories to myself  
But I know them all too well

'Cause when the desert night is cold  
I just want someone to hold me close  
Say I don't wanna die alone  
Who's gonna love me when I'm gone?

See even cowboys can get lonely from time to time  
Even cowboys do get lonesome sometimes  
Yes, but I, I know one thing, I've come much too far  
Oh, to let you go now, please, don't let me go  
Lord, don't let me go

Look into my naked eye  
Reflect out into the horizon  
Ooh, yet another day goes by  
And there's not a soul in sight

As I ride into the dark  
As I ride into the sunset  
I guess it's time to say goodbye  
To the rider of the night

See even cowboys can get lonely from time to time  
See even cowboys can get lonesome sometimes  
Yes, but I, I know one thing, I know one thing, I've come much too far  
Oh, to let you go now, please, don't let me go  
Lord, don't let me go

See even cowboys  
Do get lonely

Oh, just like me  
Yes, even me  
Well, just like me  
Even me
