

# Kaleo, Rock N Roller

You say you wanted to be  
just a Rock N Roller  
Now you're money is gone  
You've got nothing to show for

You leave nothing behind  
and you know that it's over  
You want to beat them all  
Do you have what it takes son,  
What it takes son

Rock N Roller

I won't work for the man  
I won't think like a soldier  
You tell your mama so  
But she says you're a joker  
You're a joker

You've been waiting in line  
You've been waiting a long time  
Sweet Rock N Roller

My, my Rock N Roller

Come on boy, get it on

Start me in a flash  
You start me up in no time now  
The day when nothing goes  
The day when nothing goes right

Cold blooded like a reptile  
But you wanted more,  
Didn't you child?

You're going to wait a while  
Before you get what you came for  
What you came for

You been working a man to the bone  
I'm ready to go  
I'm ready to show my Rock N Roller

Let's do it one more time

Rock N Roller
