Get it right, get it right

Hello Kitty, why the long face?  
You keep on standin', standin', standin' in the same place  
New coupons, riding in the Chevrolet with big bass  
You're deep on talkin', talkin' 'bout how we all lack taste

Beamer (Beamer), Bentley (Bentley)  
Make me (Make me), spend me (Spend me)  
New chain, you changed  
Here's your receipt

B-B-B-Bring me down, tear me up  
Take my very last buck  
Go to class, kiss my ass  
It'll bring you good luck  
B-Brighten up, lighten up  
What is it they're fighting for?
