

# Kali Uchis, Solita

como una espina de rosa  
cuando yo te vi con otra  
fue lo que senti  
te quiero pa mi

en una calle rota  
serpinete venenosa  
anoche sone que esytabas aqui

well I got a feeling these scars  
won't ever look like their old news  
if I let you keep on rubbibg slat into all my open wounds  
I wish I could keep everything that you took of me  
but the photos  
but you keep apiece of me locked  
in a secret spot we called home

solita /2x  
bailando aqui sola como a mi me gusta  
solita /2x  
bailando aqui sola  
es major que con el diablo

sola /8x  
major que con el diablo  
sola /8x

rooted in your ways  
you won't ever know you won't ever see  
who I am today  
the roots of my soul  
now I need to face my demons alone  
so close I could smell his cologne  
he ask me why I'm all alone

solita /2x  
bailando aqui sola como a mi me gusta  
solita /2x  
bailando aqui sola  
es major que con el diablo

sola /8x  
major que con el diablo  
sola /8x
