

Kali Uchis, Worth the Wait

I want to be around you every day
This feeling in my body's not the same
Are you still down?

The mirrors on my ceiling
So I can watch you top me
Deep in my knees, I get weak
Baby, you know I'm a freak
Wanna get naughty, nasty and treat you oh so right
Every day and every night
I do, I do, I can't get rid of you like gum stuck to my shoe

Don't say you got to go
Baby, take off my clothes
'Cause I got something to show ya
Show you the things that words cannot say
Show you it was worth the wait
I think you deserve a taste
(A taste, a taste)

I want to be around you every day
This feeling in my body's not the same
Are you still down?

Most people don't know how to love, that's why they're empty
Nothing will ever be enough, that's why they envy
Gotta be careful with my heart, because I love deep
Quit telling me you wanna put a baby in me
If you're affection for me's truly only skin deep
I don't wanna end up just another broken family
You would never do that to me, would you, baby?

I want to be around you every day
This feeling in my body's not the same
Are you still down?
