

# Kalwi & Remi, I Need You (feat. Amanda Wilson,

I need you /5x

There you are  
In the dark  
Waiting for me to come to you  
And the light  
Seems so far  
You're powerless  
Don't know what to do

I would run  
Across the earth  
I wonder if you know  
What I would do for you  
In the night  
Do you hear me call  
I wonder if you know  
That I would die for you

I need you  
To fight for me  
I don't wanna break into your heart  
If you don't need me  
The way I do for you

Ja pragne  
Cie mocniej  
I wiecej ciebie che  
Kazdego dnia  
Oddycham  
Bo jestes  
Chce wiedziec  
Ze nie poddasz sie

Can't understand  
You have it all  
Realize  
Just what I do for you  
It's in your hands  
Don't let it fall  
I wanna try to get the best of you  
I would run  
Across the Earth  
I wonder if you know  
What I would do for you  
In the night  
Do you hear me call  
I wonder if you know  
That I would die for you

I need you  
To fight for me  
I don't wanna break into your heart  
If you don't need me  
The way I do for you

I need you  
To fight for me  
I don't wanna break into your heart  
If you don't need me  
The way I do for you

You need me  
Like I need you

But you don't know  
What I would do for you  
You need me yeah  
Like I need you  
But you don't really know

Ja pragne  
Cie mocniej  
I wiecej ciebie che  
Kazdego dnia  
Oddycham  
Bo jestes  
Chce wiedziec  
Ze nie poddasz sie

I need you  
To fight for me  
I don't wanna break into your heart  
If you don't need me  
The way I do for you

I need you /5x

I need you to fight for me  
The way I do for you
