

# Kamelot, We Are Not Separate

launch the silver spear  
the world will cry a tear  
in the heavens will appear  
another angel  
hear the elders cry  
waiting for their time  
as they look towards the heavens  
why won't they answer?

we are playing with nature  
splitting the atom  
confusing religions  
killing the masses  
we are not separate  
from what we destroy  
time has com for us  
to make the only choice

we are not separate  
from what we destroy  
time has come for us  
to make the only choice

we rape for our power  
not caring for life  
we tarnish our waters  
'til they are as black as night

we visualize the future  
with the eyes of the blind  
we hear nature calling  
but we still deny

we are not separate  
from what we destroy  
time has come for us  
to make the only choice
