

Kames And The Happy Organ, Every Other Time

I said let's talk about it
as she walked out on me
and slammed the door.
But I just laugh about it
cuz she's always playin those games.
Deep down I know she loves me
but she's gotta funny way of showin me
how she cares(how she cares)
Last night she did a donut on my lawn
and drove off with her finger in the air. oh yeah

CHORUS:

Sometimes it's black
Sometimes it's white
Sometimes she's wrong
Sometimes I'm right
Sometimes we talk about it or figure it out
and then she just changed her mind
Sometimes she's hot
Sometimes I'm cold
Sometimes my head wants to explode
but when I think about it
I'm so in love with her every other time. yeah
Every other time

Sometimes we sit around
just the two of us on the park bench
Sometimes we swim around
like the dolphins in the ocean of our hearts
But then I think about the time
when we broke up before the prom
and you told everyone that I was gay. okay
Sometimes I walk around the town for hours
just to settle down but I take you back
you kick me down cuz that's the way
uh huh uh huh I like it

CHORUS

Every other time

Keep it home girl don't cha quit
ya know the way ya scream is the ultimate
when I walk away just watch the clock
i bet I don't even get around the block

I said let's talk about it
as she walked out on me
and slammed the door.
One day we'll laugh about it
cuz we're always playin those games

CHORUS

Keep it up home girl don't cha quit
ya know the way ya scream is the ultimate
When I walk away just watch the clock
I bet I don't even get around the block

oh yeah
Every other time
