

# Kamil Pawelski (Ekskluzywny Menel), Waiting Ro

I had eunuch  
How long the man suppose to ... life  
Waiting all the storm that won't let ...  
How long

I close my eyes  
And wander if God is on my side  
And all my prays just bouncing on the skies  
How long

Here I am  
Once again in the waiting room  
Who been to hear good news  
Who been to hear good news  
Here I am  
Once again in the waiting room  
Who been to hear good news  
Who been to hear good news

They had enough  
This empty words that try to cheer me up  
I want a fake smile  
But I'm not that taught

You're all I've got  
I'm choking bad ..thinks  
And try not to fall apart  
Letting time away  
As hard as far  
So ..

Here I am  
Once again in the waiting room  
Who been to hear good news  
Who been to hear good news  
Here I am  
Once again in the waiting room  
Who been to hear good news  
Who been to hear good news

I wanna hear your heart beat  
I wanna hear your heart beat once again  
I wanna hear your heart beat  
I wanna hear your heart beat

Here I am  
Once again in the waiting room  
Who been to hear good news  
Who been to hear good news  
Here I am  
Once again in the waiting room  
Who been to hear good news  
Who been to hear good news
