

# Kamp!, Huset

Stay close  
Stay tight  
I lead you through  
The night

The night reflect  
Your eyes  
And we don't need godbyes

The time is up  
Don't give up  
atke care  
fire up  
So i will prepare  
The time is up  
Don't give up  
atke care  
fire up  
So i will prepare

Prepare for you
