

Kan Mikami, Dance, Flower Hat!

Ugly broad I met in a coffee shop
While we go off to a hotel to do it
Another set of tits is getting hard
You had iced coffee
Me, a sandwich
Dance, Flower Hat! Get it on!
Let's go to town!

Ugly broad I met at Pit Inn
While we go off to see an act
If you asked me her name, I wouldn't know
You, in a slip
Me, in my briefs
Dance, Flower Hat! Get it on!
Let's go inside!

Ugly broad I met in a coffee shop
We're just about to go to town
But I'm worried about our two kids
You're off to Sendagaya
Me, Ochanomizu
Dance, Flower Hat! Get it on!
Let's get on the train!
