

# Kan Mikami, Emperor Of Half The Globe

I Was still crying backstage  
When I think of him, it makes me weep  
Kill my capo, it's come to that  
So am I so bad?  
But if that's right, then you're no good for me

Yesterday, I met her  
She was a mother  
The mother that brought you into the world  
"You're a shaman, aren't you, now?" she said  
So I'm a shaman, what about it?  
So I'm a shaman, what about it?

His plans for the magazine he begged me to  
When I think of you I can't forget  
I bust my ass for a piece of tail  
I even gave up smoking for you  
I guess I'm just no good, huh?  
So you're no good for me

Yesterday, I met him  
He was a famous politician  
"You're a father, aren't you now?" he said  
So I'm a father, what about it?  
So I'm a father, what about it?

He begged me to, in front of the bathhouse  
When I think of you, I really worry  
I bought you a beer  
I lent you a soap  
So am I so bad now?  
Yeah, you're no good for me

Yesterday I met him  
He was Ikeda Daisaku  
"I've been told you're Nichiren" he said  
So I'm Nichiren, what about it?
