

Kan Mikami, Hosei University

From Oak Village to university
Carring a rice cake on a celtic leaf

Ah, familiar old black jeans
The night I saw the "standing nebuta";

The day I swore an oath to my brother

From Oak Village to America
Like the Jewish race

From Oak Village to Berlin
Pretenting to be Japanese

From Oak Village to New York
Pretenting to be John Lennon

From Oak Village to Hakodate
Like the journey the Big I made
