

Kan Mikami, Up The Chimney

Overseas is all the rage now
Drugs and AIDS is all the rage now
Incest is all the rage now
Rape is all the rage now
And in second place,
Music is all the rage, however
It's all over for you, buddy
But They'll probably fix it up again
It's really Christ the King

Overseas is all the rage now
Guns and powder all the rage now
Oil and uranium all the rage now
Japan is Number One all the rage now
And in second place,
Sympathy is all the rage, however
For you, buddy
It's all over
But They'll probably put it back again
Allah is really God

Back Home is all the rage now
Elephant and Om all the rage now
Nakazawa Shinichi is all the rage now
Vietnam is all the rage now
However,
For you, buddy
It's all over
Later on, they'll stretch things out
Buddha is Lord for sure
