

Kandi, Come Back

Verse 1

We both made the same mistakes
And believe me, I know it
I've come to depend on you
In my eyes, can you see?
That someone's still hurting me
What can I say that will make up, for letting you down?
I just want you to know so

Chorus

Come back (Come back) if you love me
How will I survive without you?
B vocal (I'm no good without you)
Baby come back (Come back) if you need me
Maybe I was wrong, and I tried to pretend but,
Always in my heart, I know that I want you
Come Back

Verse 2

Tomorrows another day, still I,
Can't believe that I told you
And that was my big mistake
Every hour, every day,
What can I do to make it through?
Oh the days seem so long
I miss you so bad
And it's breaking my heart
So come back

Chorus

Come back (Come back) if you love me
How will I survive without you?
Baby come back (Come back) if you need me
How will I survive without you
Baby come back (Come back) If you need me
Maybe I was wrong, and I tried to pretend but,
Always in my heart, I know that I want you
Come Back (come back)

Before you break my heart
