

Kane, Dreamer (Gussies Song)

Bring in the dancers
Bring in the clowns
Bring in the magic in the air now
And sing you a song

Calling all dreamers
Don't you ever wake up
A sweet heart
A sweet heart
One out of a million
Became one out of three
One out of thousands in the world
Became one heart and me
And if you ever leave me
I'll hope that
I will never wake up
The sweet heart
The sweet heart
The sweet heart

Ooh ooh ooh .. It's a crazy world
Everything changes but a life forever stays
Ooh ooh ooh.. It's a crazy world

Bring in the dancers
Bring in the clowns
Bring the magic in the air now
And wont you give me your smile

And I'm calling you dreamer
Don't you ever wake up
No My sweet heart
My sweet heart
My sweet heart
Sweet heart..
