

Kangta, Good Vibration

Always on my mind...Never forget in my heart

Oh! good vibration-

What up V.Dubb

Chillin K.T.

It's time to let them know ain't no stopping me.

Homies for life, show them how we do this right

Taipei to Korea

Yeah we keeping it tight

Salmui shiganeun nae apeul ppareuge

seuchyeobeorin baramin geot cheoreom.. makjjin mothae

najeun gose meomulleo modu gajyeotttago

kkumeul kkumyeo saldaganeun geol incomplete

realize my good vibration

nege deungeul gidaemyeon challanhaettteon

gi-eok soge naega neoreul bomyeo eunneun geol

mideumeul ijeodo geu jari-en eonjena heunjeogi namgyeojin geol

meojeobeorin shigyeneun machi i sunganeul gidarin geonman gata

chinguya! janeul deulja bameul chaeweo ujeongeul masyeobeorija

Oh- good vibration

I remember 2 kids same team, with big dreams

love music love life was the fuel for the steam

yo we kept it real flashy even way back then,

straight ballin' girls callin, ever since we was 10

now bossin, steady flossin good times just to never end

even when the haters hate cus we settin the trends

better believe v.dubb and k.t. is where it's at

2 cats wit hot tracks & high stacks of Ben Jacks

realize my good vibration

nege deungeul gidaemyeon challanhaettteon

gi-eok soge naega neoreul bomyeo eunneun geol

chinguran geon na-ui su hocheonsa

salme jichyeo himdeulttae ireonaseo

ssa-urago wechyeo nareul jikyeojuneun him

Now don't get twisted, you think you know what this is

Korea and Taiwan yeah you know we so sick with it

ice is so nice cus we chillin at the top

like s.n.double o.p we drop like it's hot

uri gaseumsogen eonjena modu gateun geuri-umi inneungeol

oraedwemyeon, orae dwelsurok mashi

gipeun sulcheoreom seoro-ege chwahaeganeun geot

Uri nameun salme no-eul bichi

deuriweojyeo jinannareul dwidora bomyeon...

hamkke euseojuneun nega gyeote isseo,

In my mind, we will always be, true friends indeed

realize my good vibration nege deungeul gidaemyeon

challanhaettteon gi-eok soge naega neoreul bomyeo eunneun geol

you will guide my good vibrations
