

Kangta, Scandal

Y2JYOO, young jin That's the way~
We came straight game wit it, straight off the chain wit it,
Look but can't touch, we the illest true pimps of it.
Collaboration locked with military fusion,
Takin-ova- Da globe w/out any hesitation,
Envision total domination.
Taking circus out With, Sniper Scope precision.
So just back up back up, yo way up way up,
Or you'll get yoself smacked up! Like 2 Pac, we hit'em up~!
Too cold to hold, yo we too hot to handle,
Ladies are you ready bout to hitcha wit dis scandal~
