

Kanye West, Everything We Need (Ft. Ant Clemons)

[Intro: Ty Dolla \$ign & Ant Clemons]

We began after the storm inside

Lay the land (Ah), it's just the morning light (Woo, woo)

Woo, woo, oh yeah

[Verse 1: Kanye West & Ant Clemons]

Woo-ooh, boh-ooh

Switch your, switch your attitude

Go 'head, level up yourself

This that different latitude

Ooh-ooh, ooh-ooh

Life too short, go spoil yourself

Feel that feel, enjoy yourself 'cause

[Refrain: Ant Clemons & Ty Dolla \$ign]

We have everything we need (Ooh-ooh, ooh-ooh, oh)

We have everything we need (Ooh-ooh, ooh-ooh, oh, oh)

We have everything we need (Ooh-ooh, ooh-ooh, oh)

We have everything we need (Ooh-ooh, ooh-ooh, oh, woah)

We have everything we need

[Chorus: Ty Dolla \$ign]

We began after the storm inside

Lay the land (Ah), it's just the morning light (Oh, yeah)

[Verse 2: Kanye West & Ant Clemons]

Switch my, switch my attitude

I'm so, I'm so radical

All these people mad at dude

This for who it matter to

What if Eve made apple juice?

You gon' do what Adam do?

Or say, "Baby, let's put this back on the tree" 'cause

[Refrain: Ant Clemons & Ty Dolla \$ign]

We have everything we need (Ooh-ooh, ooh-ooh, oh)

We have everything we need (Ooh-ooh, ooh-ooh, oh, oh)

We have everything we need (Ooh-ooh, ooh-ooh, oh)

We have everything we need (Ooh-ooh, ooh-ooh, oh, woah)

We have everything we need

[Chorus: Ty Dolla \$ign]

We began after the storm inside

Lay the land (Ah), it's just the morning light
