

Kanye West feat. Lil Wayne, So magical

Chorus]

Feel my love

Feel my soul

It's so magical

Take my hand

Make me whole

It's so magical X2 Remix baby

Lollipop lollipop breasts just like Dolly Part-en

She buy my spaceship til she hit the top That hit the spot

Til she ask how many li-li-licks do it take Til she get to shop

Don't worry why my wrist got so freeze Tell ya girl like Doritos that's Nacho cheese

Tell her friends like Fritos I'm trying to lay I can only have one and I ain't trying to wait

This a song with Wayne so you know it's gon' melt

But you aint finna murder me like everybody else Imma rap like I got some type respect for myself

Man I do it to the death Til the roof get melted 100 degrees, drop the roof so the coupe don't melt

Man the flow so cold Chicken Soup won't help

We need 4 mo' hoes we need oh oh oh oh!

Chorus]

Feel my love

Feel my soul

It's so magical

Take my hand

Make me whole

It's so magical X2

Shawty say she wanna lick the wrapper

And she gonna lick the rapper

And I just wanna act like a porno flicking actor I Anita Bake her now she caught up in a rapture I go

You can have a bag if you're a snacker Greedy motha fudge cake

Now tell me how that fudge taste I do it for Bloods sake Suwoop, thinks its VooDoo

How the roof do do dissipate

Your girl want to participate

She so so so-phisticate 'Cause her brain is off the chain

And then my diamonds are in the choir

Because they sang from off my chain

And my Nina just joined the gang because

All she do is bang Like Ricky Martin Wayne and Kanye pick your poison

If that woman wanna cut

Then tell her I am Mr. Ointment

Tell her make an appointment with Mr. I can't make an appointment

Take my lollipop and enjoy it!

Chorus]

Feel my love

Feel my soul

It's so magical

Take my hand

Make me whole

It's so magcal X2
