

# Kanye West, Girls, Girls, Girls (Remix)

&quot;I'm not a one girl's guy... [real talk for ya, peep game]  
And they know it, when it comes to love I don't lie [we don't lie man]  
and the girls respect me for it [you gotta respect that]  
Ain't gonna say my nose can't be open [I may never say never]  
But right now it's just too many fine ladies out there  
to choose one from [too many ladies, ha]  
I'm tryin' girls out, just tryin' girls out

HOOK: I love girls, girls, girls, girls, girls I do adore  
Yo put your number on this paper cuz I would love to date ya  
Holla at ya when I come off tour

[Verse 1: Jay-Z]

Whoo! Who you lovin, who you wanna be huggin, heh  
who you wit, who you wanna be fuckin  
got this smarty art chick to whom I pose this question  
I read a couple books to add to her soul's progression  
to put this in laymen's term, I gave her some knowledge  
she gave me, brains in return, she had to drop out of college  
knowin she does this homework, I give her in house tutoring  
in and out I'm movin through her student body union and  
she, call me professor, say daddy come and test her  
so she could fail on purpose and repeat the semester  
I'm like, at this rate ma you never graduate  
she said, I aint no fool I make it up in summer school

HOOK:

I love girls, girls, girls, girls, girls, I do adore  
Yo put your number on this paper cuz I would love to date ya  
Holla at ya when I come off tour  
Now let the people sing  
I'm tryin girls out, [just tryin girls out] just tryin girls out  
Yo put your number on this paper cuz I would love to date ya  
Holla at ya when I come off tour

[Verse 2: Jay-Z]

Heh, who you lovin, who you wanna be fuckin  
who said what, why you trippin girl, why's you fussin?  
got this model slash actress slash part time waitress  
spend a whole day she hangin round with part time haters  
all they do is diss dirt and put a up on my latest  
itinerary, but since I tend to vary see  
I tend to carry, more rumors than ten Mariah Careys  
tend to hurries in ten places at once  
plus she can't front just peep how I run mines  
ma, our time together is our time together, and uh  
our time apart is our time apart  
so love Jay with your mind girl and not your heart  
and some day I slow down, but for now I get around  
like the late Makiavelli or Perelli twenty inches  
or caine and O-dog, stick up tape from menace  
you tell 'em chicks if they must know my buisness

HOOK:

I'm tryin girls out, just tryin girls out  
put your number on this paper cuz I would love to date ya  
holla at ya when I get off tour  
I'm tryin girls, girls, girls, girls, girls I do adore  
yo put your number on this paper cuz I would love to date ya  
holla at ya when I come off tour

[Verse 3: Kanye West]

Now even though I went to college and dropped out of school quick  
I always had a P.H.D.--A pretty huge dick

Ladies tired of getting ripped off by guys like this  
And giving head is like a whale that's using a toothpick  
Well--I'm in the club for a limited time only  
2 way or phone me if you tryna bone me  
Yo man got moe-nee, you still feel lonely  
Claim he love you, thats no doubt, this nigga's phony  
You a light skinned Nia, a dark skinned Aaliyah  
A Black Jennifer Lopez, a ghetto senorita  
We can ride in my Jeep, but not no Kia  
We can talk on my cell, but not Nokia  
It be going in and out thats why I barely hear ya  
I be goin' in and out just like a robberia  
I'm tryna take this money like robbin Gia  
Then i'mma take you to my house like Trick and Trina  
Chi-Town, Chi-Town, big city of dreams  
and my dick so big it can't fit in my jeans  
And a bitch so mad she can't get in my cream  
and it get so bad she wanna tear up my things  
But still, K-A-N-Y-E  
Chi-Town playa out in N-Y-C  
She say she wanna go on a shopping spree  
Bought her some cheap J.Lo jeans 'cuz the ass was free

&quot;I'm not a one girl's guy, and they know it  
when it comes to love, I don't lie, and the girls respect me for it  
aint gonna say my nose? can't be over  
but right now it's just too many fine ladies out there to choose one from  
I'm tryin girls out, waiting patiently  
just tryin girls out, until I find the one for me&quot;
