

Kanye West, Good Morning

[Intro: Kanye West]

Uhh.. uhh
Uhh.. uhh

[Chorus: Kanye West]

Good morning!
Good morning!
Good morning!
Good morning!

[Verse 1: Kanye West]

Wake up Mr. West, Mr. West
Mr. Fresh, Mister, by himself he's so impressed
I mean damn, did you even see the test?
You got D's, muthafucka D's, Rosie Perez
And yer ass barely passed any and every class
Looking at every ass, cheated on every test
I guess, this is my dissertation
Homie this shit is basic, welcome to Graduation

[Chorus: Kanye West]

Good morning!
Good morning!
Good morning!
Good morning!

[Verse 2: Kanye West]

Good morning, on this day we become legendary
Everything we dreamed of
I'm like the fly Malcolm X, buy any jeans necessary
Detroit Red cleaned up
From the streets to the league, from an eighth to a key
But you graduate when you make it up outta the streets
From the moments of pain, look how far we done came
Haters saying you changed, now you doing your thang

[Chorus: Kanye West]

Good morning!
Good morning!
Good morning and—
Good morning!

[Verse 3: Kanye West]

Good morning and look at the valedictorian
Scared of the future while I hop in the DeLorean
Scared to face the world, complacent career student
Some people graduate, but be still stupid
They tell you read this, eat this, don't look around
Just peep this, preach this, teach us, Jesus
Okay look up now, they done stole yo' streetness
After all of that you received this

[Bridge: Kanye West & JAY-Z]

Good morning!
Hustlers that's if you're still living, get on down
Every time that we hear them
Good morning!
Hustlers that's if you're still living, get on down
Every time that we hear them
Good morning!
Hustlers that's if you're still living, get on down
Every time that we hear them
Good morning!
Hustlers that's if you're still living, get on down

[Outro: JAY-Z]
Get on down
Get— get on down
Get on down
Get— get on down
