

# Kanye West, No Child Left Behind

Back again  
I use my back against the wall  
Never call on yall  
Never count on yall  
Always count on God

He's done miracles on me  
He's done miracles on me  
He's done miracles on me  
He's done miracles on me  
He's done miracles on me  
He's done miracles on me
