

# Kanye West, See You In My Nightmares

That you know

[Lil Wayne]

I got the right to put up a fight  
but not quite cause you cut off my light  
But my sight is better tonight and I might  
see you in my nightmare, oh but how did you get there  
cause we were once a fairytale  
But this is fair well

Baby girl I'm finished  
I thought we were committed  
I thought we were cemented  
How I thought we meant it  
Now we just forgetting  
Now we just resenting  
The clouds in my vision  
Look how high I be getting  
And it's all because of you  
Girl we through  
You think your shit don't stink but you are Mrs. P-U  
And I don't see you with me no more  
Now tell everybody that you know  
That you know!

[Kanye West]

That you know  
Tell everybody that you know  
That I don't love you no more  
And that's one thing that you know  
That you know  
That you know  
Tell everyone that you know  
That I don't love you no more  
And that's one thing that you know  
That you know...
