

Kanye West, Stronger

[Intro: Daft Punk]

Work it, make it, do it, makes us
Harder, better, faster, stronger

[Chorus: Kanye West & Daft Punk]

N-Now-Now that, that don't kill me
Can only make me stronger
I need you to hurry up now
'Cause I can't wait much longer
I know I got to be right now
'Cause I can't get much wronger
Man, I've been waitin' all night now
That's how long I been on ya
Work it harder, make it better
Do it faster, makes us stronger
(I need you right now, right now)
More than ever, hour after hour
Work—
(I need you right now, right now)

[Verse 1: Kanye West]

Let's get lost tonight
You could be my black Kate Moss tonight
Play secretary, I'm the boss tonight
And you don't give a fuck what they all say, right?
Awesome, the Christian in Christian Dior
Damn, they don't make 'em like this anymore
I ask, 'cause I'm not sure
Do anybody make real shit anymore?
Bow in the presence of greatness
'Cause right now, thou hast forsaken us
You should be honored by my lateness
That I would even show up to this fake shit
So go ahead, go nuts, go apeshit
'Specially in my Pastellé, on my Bape shit
Act like you can't tell who made this
New Gospel, homie, take six
And take this, haters
You might also like

[Chorus: Kanye West & Daft Punk]

N-Now-Now that, that don't kill me
Can only make me stronger
I need you to hurry up now
'Cause I can't wait much longer
I know I got to be right now
'Cause I can't get much wronger
Man, I've been waitin' all night now
That's how long I been on ya
Work it harder, make it better
Do it faster, makes us stronger
(I need you right now, now)
More than ever, hour after hour
Work—
(I need you right now, right now) Me likey

[Verse 2: Kanye West & Daft Punk]

I don't know if you got a man or not
If you made plans or not
If God put me in your plans or not
I'm trippin', this drink got me sayin' a lot
But I know that God put you in front of me
So how the hell could you front on me?
There's a thousand you's, there's only one of me

I'm trippin', I'm caught up in the moment, right?
'Cause it's Louis Vuitton Don night
So we gon' do everything that Kan' like
Heard they'd do anything for a Klondike
Well, I'd do anything for a blonde dyke
And she'll do anything for the limelight
And we'll do anything when the time's right
Uh, baby, you're makin' it
Harder, better, faster, stronger (Oh)

[Chorus: Kanye West & Daft Punk]
N-Now th-that, that don't kill me (Oh)
Can only make me stronger (Oh)
I need you to hurry up now (Oh)
'Cause I can't wait much longer (Oh)
I know I got to be right now (Oh)
'Cause I can't get much wronger (Oh)
Man, I've been waitin' all night now
That's how long I been on ya
Work it harder, make it better
Do it faster, makes us stronger
(I need you right now, now)
More than ever, hour after hour
Work is never over
(I need you right now, right now)

[Bridge: Kanye West & Daft Punk]
You know how long I've been on ya
Since Prince was on Apollonia
Since O.J. had Isotoners
Don't act like I never told ya
Work it, work is never over
Don't act like I never told ya
Harder, work is never over
Uh, don't act like I never told ya
Don't act like I never told ya
Don't act like I never told ya
Uh, baby, you're makin' it
Harder, better, faster, stronger

[Chorus: Kanye West & Daft Punk]
N-Now-Now that, that don't kill me
Can only make me stronger
I need you to hurry up now
'Cause I can't wait much longer
I know I got to be right now
'Cause I can't get much wronger
Man, I've been waitin' all night now
That's how long I been on ya
Work it harder, make it better
Do it faster, makes us stronger
(I need you right now, now)
More than ever, hour after hour
Work is never over
(I need you right now, right now)
Work it harder, make it better
Do it faster, makes us stronger
(I need you right now, now)
More than ever, hour after hour
Work is never over
(I need you right now, right now)

[Bridge: Kanye West]
You know how long I've been on ya
Since Prince was on Apollonia

Since O.J. had Isotoners

[Outro: Kanye West & Daft Punk]

Told ya, told ya
Never told ya, told ya, told ya
Never told ya, told ya, told ya
Never told ya, told ya, told ya
Never told ya
Never over (W—), never over (Ha—), never over (Fa—), never over (St—)
Never over, never over, never over
Harder, better, faster, stronger
Work it harder, make it better
Do it faster, makes us stronger
More than ever, hour after hour
Work is never over
Work it harder, make it better
Do it faster, makes us stronger
More than ever, hour after hour
Work is never over
Work it harder, make it better
Do it faster, makes us stronger
More than ever, hour after hour
Work is never over
Work it harder, make it better
Do it faster, makes us stronger
More than ever, hour after hour
Work is never over
