

# Kanye West, Two Words

(feat. Mos Def, Freeway, The Harlem Boys Choir)

[Kanye West]

We in the streets playa, getcha mail  
It's only two places you'll end up - either dead or in jail  
Still nowhere to go...still nowhere to go  
Now throw ya hands up bustless, bustas, boostas, hoes  
Everybody, fuck that  
Still nowhere to go...sill nowhere to go..

[Mos Def]

Two words, United States, no love, no brakes  
Low brow, high stakes, crack smoke, black folks  
Big Macs, fat folks, ecstasy capsules  
Presidential scandals, everybody MOVE  
Two words, Mos Def, K West, hot shit  
Calm down, get back, ghetto people, got this  
Game ball, lock shit, dump off, cock shit  
We won't stop shit, everybody MOVE  
Two words, BK , NY, bedstuy  
Two hawks, too hungry, too many, that's why  
These streets know game, can't ball, don't play  
Every traffic, one lane, everybody MOVE  
Two words, Mos Def, black check, hot shit  
Calm down, get back, ghetto people, got this  
Game point lock, long pump cocked  
We won't stop, everybody MOVE

[Chorus: Kanye West (Harlem Boys Choir)]

[1] - Now throw ya hands up bustless, bustas (Throw your hands up high)  
Boostas, hoes, everybody, fuck that (ohhhhhh)  
Still nowhere to go...still nowhere to go... (ohhhhhh)

[2] - and keep ya hands up bustless, bustas (Till they reach the sky)  
Boostas, hoes, everybody, fuck that (ohhhhhh)  
Still nowhere to go...still nowhere to go... (ohhhhhh)

[Kanye West (Harlem Boys Choir)]

Aiyyo, two words, Chi town, South side, world wide  
Cuz I, rep that, till I, fuckin die  
One neck, two chains, one waist, two gats  
One wall, twenty plaques, dudes say, "Gimme that"  
I am limelight, Blueprint, 5 Mics  
Go getters rhyme like, shoulda been signed twice  
Most imitated, Grammy nominated  
Hotel accommodated, cheerleader, prom dated  
Barbershop, playa hated, mom and pop, bootlegged it  
Felt like it rained till the roof caved in  
Two words, Chi town, raised me, crazy  
So I live by two words, "Fuck you, pay me"  
Screamin, Jesus save me  
You know how the game be  
I can't let em change me  
Cuz on Judgment Day, you gon blame me  
Look God, it's the same me  
I (Throw) basically know now (Your) we could (Up) racially profile (High)  
Cuffed up and hosed down, pimped up and hoe down (ohhhhhh)  
Plus I got a whole city to hold down (ohhhhhh)  
From the bottom to the top  
The only place to go down

[Chorus 2nd verse]

[Freeway]

Two words, Freeway, two letters, A-R  
Turn y'all rap niggaz into two words, fast runners  
Like Jackie Jurner, you better sleep with your burner  
The heat skeet, blow a reef through ya car  
My God, two words, no guns, break arms  
Break necks, break backs, Steven Segul  
Free...young bars, fresh men of the Roc  
Left the beef in the pot Jay sent for his dogs  
and broads, forget ya squad, let em find for yourself  
Have you screamin out four words "Send for the Lord"  
Two words, Freeway's slightly retarded  
Fuck around, throw a clip in ya artist, leave with his broad..

[Harlem Boys Choir (Mos Def)]
