

Kara, Beautiful Moment

Standing here right now
How can I contain what I'm feeling?
in the quiet of my heart
this is what Your love is revealing

chorus
when I think about the life You gave for me
so I could be with You eternally
I think about the cross that rescued me
in a beautiful moment
I wanna give my life right back to You
so You are glorified in all I do
every thought I have just brings me to
this beautiful moment
oh, oh

I can see the sun
You saved me from the dark that surrounds me
because of what You've done
finally forgiveness has found me

I think about the life You gave for me
so I could be with You eternally
I think about the cross that rescued me
in a beautiful moment
I wanna give my life right back to You
so You are glorified in all I do
every thought I have just brings me to
this beautiful moment

nothing I can give could compare
nothing
oh, nothing
I will give You all that I have

I think about the life You gave for me
so I could be with You eternally
I think about the cross that rescued me
in a beautiful moment
I wanna give my life right back to You
so You are glorified in all I do
every thought I have just brings me to
this beautiful moment

I think about the life You gave for me
so I could be with You eternally
I think about the cross that rescued me
in a beautiful moment
I wanna give my life right back to You
so You are glorified in all I do
every thought I have just brings me to
this beautiful moment

oh, every thought
every thought brings me right to you
just brings me right back to this beautiful moment
