

Kara, Falling On Me Now

in this moment
there's nothing else that I would rather do
than be with You
than be with You to worship You
my spirit soars
this happiness is all because of You
because of You I worship You

chorus
I can feel Your presence all around me
I can sing with angels right here from the ground
I see the blessings of Heaven
falling on me now
yeah
I can feel Your smiling face upon me
I can feel Your holiness around me
and I know that it's Your glory
falling on me now

I surrender
I just want to fall into Your arms
and give You praise
Lord I want to give You praise
Lord hear my heart
'cause I want You to know it when I say:
"It's because of You, I worship You"

I can feel Your presence all around me
I can sing with angels right here from the ground
I see the blessings of Heaven
falling on me now
I can feel Your smiling face upon me
I can feel Your holiness around me
and I know that it's Your glory
falling on me now

and all my life
Oh, I want to be near You
Oh

I can feel Your presence all around me
I can sing with angels right here from the ground
I see the blessings of Heaven
falling on me now
falling on me now
I can feel Your smiling face upon me
I can feel Your holiness around me
and I know that it's Your glory
falling on me now

I can feel Your presence all around me
I can sing with angels right here from the ground
I see the blessings of Heaven
falling on me now
I can feel Your smiling face upon me
I can feel Your holiness around me
and I know that it's Your glory
falling on me now
