

# Kara's Flowers, Loving The Small Time

Save our lives  
Can't revive  
Your magic place is nearing hell

Set it straight  
Can't relate  
I hope your friends treat you well

All the waiting  
Caring fading  
And I'm falling  
I'm falling

All the waiting  
Caring fading  
And I'm falling  
I'm falling

You saved our lives  
And took our knives  
You waited for the time to sell

All the waiting  
Caring fading  
And I'm falling  
I'm falling

All the waiting  
Caring fading  
And I'm falling  
I'm falling

Save our lives  
Can't revive  
Your magic place is nearing hell

Set it straight  
Can't relate  
I hope your friends treat you well.

All the waiting  
Caring fading  
And I'm falling  
I'm falling

All the waiting  
Caring fading  
And I'm falling  
I'm falling

Yeah, yeah

Save our lives  
Save our lives  
Save our lives
