

Kara's Flowers, Oliver

I was overblown by all the card sharks and the muggers that day
And there were several million lovers of that dress that's in the window display
And every day they'd say

Oliver
Oliver
Oliver
Oliver don't stay

She was quite a woman, quite an understanding woman she was, o yeah
Sure I really loved her, but she acted like a mother to me
And she loved me and I'd scream

Nancy
Nancy
Nancy
Please take care of me

Oliver, Oliver
Oliver, Oliver
Oliver

Aaaaahhhhhhhhhhhh

I was overblown by all the card sharks and the muggers that day
Several million lovers of that dress that's in the window display
And every day they'd say

Oliver
Oliver
Oliver
Oliver don't stay
