

Karate High School, Oh No

Oh no,
You changed your mind on me

Oh no,
Another 180

Oh no,
I thought I knew everything

Oh no,
But it wasn't meant to be

Oh no,
You changed your mind on me

Oh no,
Another 180

Oh no,
I thought I knew everything

Oh no,
But it wasn't meant to be

Think back to all the things you said to me
"We could beat the world, we can do anything"
Now you say you've changed, but it's hard for me to believe
It didn't mean anything to you

Think back to the things you did with me, talking Kerovac, over coffee.
Holding up our fists to yell, "I'll never be a zombie!"

Oh no,
You changed your mind on me

Oh no,
Another 180

Oh no,
I thought I knew everything

Oh no,
But it wasn't meant to be

Oh no,
You changed your mind on me

Oh no,
Another 180

Oh no,
I thought I knew everything

Oh no,
But it wasn't meant to be

Now every movie that I go to see
That has a love scene, I think of you and me.

Driving in my car with a ballad on the radio,
Every word is meant to be for you

Think about the promise you made to me.
In the back seat, you said you loved me.

Now things aren't the same, and it kills me to watch you walking down the hallway with that guy.
What does he have besides money and charm and grace?

Wait don't answer that, I really meant to say that everyday I yell, "Didn't need you anyway!"

Oh no,
You changed your mind on me

Oh no,
Another 180

Oh no,
I thought I knew everything

Oh no,
But it wasn't meant to be

Oh no,
You changed your mind on me

Oh no,
Another 180

Oh no,
I thought I knew everything

Oh no,
But it wasn't meant to be

Oh God,

What is it going to
Take to get over you?
Oh God,
What is it going to
Take to get over you?
Oh God,
What is it going to
Take to get over you?
Oh no,
Oh no,
Oh no,
But it wasn't meant to be
Oh no,
You changed your mind on me
Oh no,
Another 180
Oh no,
