"What's on My Mind"

by Kansas

Well you told me
That I was just not the one
And you left me standing out in the cold.
It's been a long time
And I'm so much better now
That I'm looking back and seeing it all.
And for the first time,
There's no pain in my life
It's been a long hard road that I've gone
We had a good thing
And it made me a man
And I know you got me going
Pardon me, my feelings are showing
I'm only saying
What's on my mind.
Well I found you
Or maybe I found myself
And I think we knew it all of the time.
We fit together
Just like a lock and a key
And we opened up each other's mind.
Yeah I was laughing
'cause there was no room to cry.
There was too much growing to do.
We had a good time,
And it ain't over yet.
'Cause I know you've got me going
Will you pardon me, my feelings are showing
I'm only saying....
You came from nowhere
And you just jumped in my life.
And I know it never will be the same.
You made me love you.
Now I'm home once again.
No I never want to leave you nomore.
'Cause I'm attached to the better half of myself
And there is nowhere else that I'd rather be.
You feel same thing
You fixed a bad broken heart
Yes I know you've got me going
Pardon me my feelings are showing
I'm only saying what's on my mind.
