

Karen Carpenter, Can't Smile Without You

ahhhhhh....

You know I can't smile without you
I can't smile without you
I can't laugh and I can't sleep
I don't even talk to people I mean
And I feel sad when you're sad
I feel glad when you're glad
But you must know what I'm going through
I just can't smile without you

You came along just like a song
You brightened my day
who'd believe you were part of a dream
That only seems light years away

and you know I can't smile without you
I can't smile without you
And you must know what I'm going through
I just can't smile without you

Some people say that happy this way
That something it's hard to find
Into the new leaving the old behind me

And i feel sad when you're sad
I feel glad when you're glad
And you must know what i'm going through
I just can't smile without you

Into the new leaving the old behind me

And I feel sad when you're sad
I feel glad when you're glad
And you must know what I'm going through
I just can't smile without you
