

# Karen Clark Sheard, Can't Take It

[Verse 1:]

I would go on throughout my day,  
thought I was okay,  
but I really didn't have commitment.

I was prestige in many eyes,  
they didn't see me cry,  
I really could hide my torment.

Though it seemed I was fine,  
it continued all the time,  
I'm only human and the pressure is getting to me.

[Chorus 1:]

I just can't take it no more,  
my strength has walked out the door  
and it left me and told me I can't go no more.

I just can't take it no more,  
just want to lay down and die,  
God, if You hear me, come near me,  
You're my only hope.

[Verse 2:]

I wish I had another chance,  
I would fervently seek Your hand,  
I would've survived the avalanche.

I didn't see the road to take,  
so I gave my life away,  
and there's no way I can pray from a grave.

Though it seemed I was fine,  
it continued all the time,  
I'm only human and the pressure is getting to me.

[Chorus 1]

[Bridge:]

Listen to me, You can do all things  
if you turn to God, One who made you...

[Chorus 2:]

You've got to take a little more,  
your strength has walked out the door,  
and it left you and told you it can't go no more.

You've got to take a little more,  
might want to lay down and die,  
just know God hears you, He's near you,  
He's your only hope.
