

Karen Clark Sheard, It's Not Over

[Verse:]

It's not over 'til God says it's over.
It's not over 'til God says it's over.
He's with you through stormy weather,
oh the God I serve, He fails you never.

He is a man of His word, it's not over.
Just hold on to your faith, it's not over.
He'll make a way for your escape,
He has the last say, He's never lost a case.

[Bridge:]

Cannot go by what He looks like,
we walk by faith and not by sight;
you must believe in what Jesus says.

[Chorus:]

Man of His word, it's not over.
Hold to your faith, it's not over.
He'll make a way for your escape,
He's never lost a case.

[Vamp 1:]

It's not over.

[Vamp 2:]

Whatever you need it's in the closet.

[Vamp 3:]

I'm coming out,
I'm coming out,
I'm coming out,
I'm coming out of this thang.

[Vamp 1]

[Vamp 4:]

You gotta see it before you see it, or you never will see it.

[Vamp 5:]

You coming out,
I'm coming out,
we coming out,
we're coming out of this thang

[Vamp 6:]

Yes, yes, yes,
I'm coming out of this thang.

[Chorus]
