

# Karen Clark-Sheard, Jesus Is A Love Song

I keep hearing this melody in my ear  
I keep feeling this presence so near  
Music so sweet so rich and complete  
Like the voice of an angel  
It ministers to me  
Could it be a dream or is it a reality  
Sounds just like a symphony  
Music so sweet so rich and complete  
Like the voice of an angel  
It ministers to me

Chorus:

A love song Beautiful song  
Love song  
Beautiful song  
Love song  
Sweet simple song  
(Repeat)

Turnaround:

The day he opened my eyes  
And He changed my heart  
Jesus is a love song to me

Vamp:

Jesus is a love song - love song
