

Karen Clark Sheard, Show Me Your Glory

[Chorus:]

Show me Your glory.

Show me Your glory.

I want to gaze into the beauty of Your holiness.

So show me Your glory, I'm desperate to see,

I will be still as You reveal Your glory.

[Verse:]

I am drawing near to worship You,

there's a longing in my heart to be with You.

Call my name and I will answer You,

in humble truth, Lord, here I am.

Hide me in Your hand and show me Your glory,

I'm desperate to see, and I will be still as You reveal,

I will be still as You reveal,

I will be still as You reveal Your glory.

[Vamp:]

Your glory
