

Karen Clark Sheard, You Showed Me

[Intro:]

Da, da, da, da, da.

Da, da, da, da, da.

[Verse:]

You showed me (Your unchanging love),
and You showed me (that the love does so much).
In my soul today and everyday,
it connects like the bond (of the moon and the sun).
You're the breeze of the seas, the life abundantly,
the happiness (You showed me),
joy (You showed me),
peace (You showed me) and love.

[Chorus:]

For everything I am, You showed me.
For everything I've got, You showed me.
For dangers seen and unseen, You showed me.
For being a part of You, You showed me.

[Verse]

[Chorus]

[Vamp:]

(You showed me You love me),
(You showed me You care),
(You showed me Your mercy)
(because You're still there).

(You showed me You didn't have to do it, but You did),
(You showed me Your grace 'cause I'm still here).

You showed me You love me,
You showed me You care,
You showed me Your mercy
because You're still there.

You showed me You didn't have to do it, but You did,
(You showed Your happiness) You showed me,
(joy) You showed me,
(peace) You showed me (and love).

[Chorus]
