

# Karen Lehner, Nothing Personal

Once upon a summer's dream  
You and I were walking oh so sweetly  
Love was stronger than your fear seemed to be  
Ah ha

Hand in hand you walked me home  
Spent the night  
We kissed goodbye at morning  
I waited by the phone  
For you to call me  
You said  
Now don't take this personally  
Some things just aren't meant to be  
It's not you, but it's just not me

Nothing personal - ah ha  
Nothing personal - ah ha  
Nothing personal - ah ha

It happens  
Just an ordinary day  
Got the flowers  
And the card you sent with I love you  
I threw them both away

And then I won the lottery  
But don't take this personally  
Some things just aren't meant to be  
It's not you, but it's just not me

Nothing personal - ah ha  
Nothing personal - ah ha  
Nothing personal - ah ha

Some you win and some you lose  
Some you're given and some you choose  
It's not if you're good or if you're bad  
If Jesus loves you  
Or God got mad  
Nothing personal  
Don't take this personally  
Some things just aren't meant to be  
It's not you, but it's just not me

Nothing personal - ah ha  
Nothing personal - ah ha  
Nothing personal - ah ha

It happens  
It happens
