

Karen Lehner, Two Feet Firmly Off The Ground

Written by karen lehner
Produced by joel bell

I have scars would break your heart
Seen others so much worse
Been the bottom of the list
When I needed to be first
But still I keep believing
In the goodness to be found
That's why you find me standing
Two feet firmly off the ground

I have heard the rage and anger
The ridicule and blame
The judging of another
That's made in holy name
But what's the use of knowledge
If no hope can be found
You will hear a new voice
Two feet firmly off the ground

Reach higher - dream
It is only as dark as the shadow makes it seem
And darkest shadow's cast by a light
Love is the truth of the heart
Love is the one place to start

I claim no understanding
No wisdom to explain
The evil that seems random
And hides in holy game
Wise despair will get you no where
Hopeful wisdom will astound
Come and take your stand here
Two feet firmly off the ground

Reach higher - dream
It is only as dark as shadow makes it seem
And darkest shadow's cast by a light
If you can see it then you can believe it
Just know in your heart
That you're meant to receive it
Love is the truth of the heart
