

# Karen Ramirez, Looking For Love

I was alone thinkin' I was just fine  
I wasn't lookin' for anyone to be mine  
I thought love was just a fabrication  
A train that wouldn't stop at my station

Home, alone, that was my consignment  
Solitary confinement  
So when we met I was skirting around you

I didn't know I was looking for love until I found you (3x)  
I didn't know I was looking for love (2x)

Cuz there I stood and I would  
Oh I wonder could I say how I felt  
And not be misunderstood  
A thousand stars came into my system  
I never knew how much I had missed them

Slap on my map on my heart you landed  
I was coy but you made me candid  
And now the planets circle around you

I didn't know I was looking for love until I found you baby (3x)  
I didn't know I was looking for love (2x)

So we build from here with love the foundation  
In a world of tears, one consolation  
Now you're here there's a full brass band  
Playin' in me like a wonderland  
And if you left I would be two foot small  
And every tear would be a water fall  
Soundless boundless I surround you

I didn't know I was looking for love until I found you  
I just didn't know

I didn't know I was looking for love until I found you  
I didn't know I was looking for love

I just didn't know  
until I found you baby  
until I found you  
I didn't know I was looking for love  
Until I found you
