

# Karin Ann, babyboy

I don't care if you don't like me,  
And boy you can't do shit about it  
Stare at me as i walk by,  
Oh It's me you're being ignored by

Babyboy im not your baby,  
And i'll never be  
Babyboy you treat girls badly  
Like accessories

No i don't wanna by yours  
And i don't want to see where this thing goes  
All the promises you wont keep  
I can see that your talk is cheap

Babyboy im not your baby,  
And i'll never be  
Babyboy you treat girls badly  
Like accessories
