

# Karin Ann, we´re friends, right?

it's been a week  
you've already found someone new  
it's interesting  
how fast you found her  
i don't understand  
how you could be moving on so fast  
but it's fine  
'cause we´re friends, right?

i haven't cried in a day  
but i swear i'm fine  
i saw you with her  
i should've seen the signs  
i hope you have fun  
in her arms  
and i'll swear that it's fine  
'cause we're friends, right?
