

# Karina Pasion, 16 At War

Ain't no daddys where I'm from it's just mad mothers  
And eyes that still seem can't see past color  
Why am I disrespected by someone I should call brother  
And why girls feeling pretty and constantly hate eachother  
Bad air in my lungs man I can't breathe  
My eyes burnin from all the dirt and debris  
And it's third degree emotionless on the scene  
It's like a disease the way ya'll killin me

I'm 16 and I should'nt have to feel like this  
I'm 16 and every young boy out here wanna kiss  
I'm 16 and me and my momma goin through it  
I'm 16 on the block, I'm 16 on the block  
I'm 16(at war) I'm 16(at war)I'm 16(at war)I'm 16(at war)I'm 16(at war)I'm 16  
(At war)I'm 16 on the block I'm 16 on the block

Around here cool is another word for fool  
If he smoke then she smoke I gotta smoke to  
Now what would I do if I did not have a clue  
I'm 16 y o askin god oh why oh  
If my clothes ain't tight the he ain't gon like me  
Eyes on the prize so the next girl dress just like me  
I'm so full of promise but why promise if I'm gonna be rewarded by bad  
Actions to him I'm just a trends setter

I'm 16 and I should'nthave to feel like this  
I'm 16 every young boy out here wanna kiss  
I'm 16 and me and my momma goin through it  
I'm 16 on the block, I'm 16 on the block  
I'm 16(at war) I'm 16(at war)I'm 16(at war)I'm 16(at war)I'm 16(at war)I'm 16  
(At war)I'm 16 on the block I'm 16 on the block

I want you to know my mind my smile my style  
I want you to know the best of me I what to belong without being  
Treated like property  
Why does this feel like fantasy

I'm 16 and I should'nt have to feel like this  
I'm 16 every young boy out here wanna kiss  
I'm 16 and me and my momma goin through it  
I'm 16 on the block, I'm 16 on the block  
I'm 16(at war) I'm 16(at war)I'm 16(at war)I'm 16(at war)I'm 16(at war)I'm 16  
(At war)I'm 16 on the block I'm 16 on the block
